*may vary due to variations in paper

Quickly and easily folds and seals single-sheet self mailers. Includes a long 240mm fold plate to handle all folds except 14" C fold and has a convenient item counter. Provides an environmentally friendly mailing solution by eliminating envelopes. Can be used for a wide variety of applications including paychecks, invoices, tax forms (W2, 1099, etc.), medical reports, and ID cards. Compact, desktop design and quiet operation make it ideal for corporate environments. Easy to set up and maintain. Proprietary angled seal technology provides exceptional fold and seal quality. 4 fold settings (Z, V, EZ, double parallel).

Features

ANGLED SEAL TECHNOLOGY

Innovative and exclusive angled seal technology provides superior sealing capabilities.

EXCELLENT FOLDING QUALITY

Excellent folding quality, even with plain paper based on our advanced angle technology.

COMPACT AND DYNAMIC DESIGN

Advanced technology sealing system allows for compact design which saves valuable workspace.
